

Dear Families,

This week our school value of JOY was encapsulated in our annual Sports Day for Years 1-6 on Wednesday and EYFS on Thursday. Sports day is a wonderful occasion where our children showcase their talents, sportsmanship, and teamwork. It's a day filled with excitement, friendly competition, and camaraderie.

Our young athletes were the stars of the day! Sports teaches us valuable life lessons. Perseverance, discipline, and resilience are just a few of the qualities you'll develop through sports. Winning isn't everything—it's the effort, sportsmanship, and joy of participation that truly matter.

Our dedicated staff worked tirelessly to organise this event. Their commitment to our children's wellbeing and growth is truly commendable.

Thank you once again for being part of this memorable day to celebrate sports, teamwork, and the spirit of our school community.

### Water Safety with Alderford Lake

We are very lucky to live near so many beautiful lakes, meres and canals and many pupils have told us how much they enjoy spending time visiting our beautiful local natura amenities - this links in so well with our school value of joy.

To ensure that we know how to keep ourselves safe around water, this week we welcomed Danny Shuker Activities Manager from our local Alderford Lake to talk to the children about water safety.

Thank you Danny – a wonderful example of the local community working with our children!

## † WORSHIP Joy

This week the children learnt about the story of

**Ruth and Naomi** - welcoming others.
